

Subject: Visolvia July + "AI for genuine performance" white paper

The Visolvia white paper **Artificial Intelligence for genuine performance** now available for download: www.visolvia.com/presentations/visolvia-print.pdf

Slow real time demo: On July 13, when the system decided to go long in OMXS, it had stayed short constantly for nearly two years. To demonstrate scalability, as described in the white paper, rebalancing was carried out during a full week.

Market	1 year	Average ¹	Real-time positions & data
Stockholm	-3.7%	+14.1%	www.visolvia.com/signal/omxs/omxs.htm
Frankfurt	+2.7%	+13.8%	www.visolvia.com/signal/dax/dax.htm
Energy	+87.0%	+23.5%	www.visolvia.com/signal/energy/energy.htm
Bombay	+9.9%	+15.8%	www.visolvia.com/signal/india/india.htm
G10 FX	+0.6%	+2.5%	www.visolvia.com/signal/fx/fx.htm

¹Annual return (12 years) net of trading costs and typical fund fees.
